

## **Notice of Upcoming Construction Works**

**21 January 2021**

Harrow Bush Nursing Centre is pleased to announce that Ultrabuild Construction Group Pty Ltd have been awarded the tender for construction of the HBNC capital project. We are proud to be able to deliver a project in our community that will enhance local emergency response, clinical and health outcomes.

With much excitement we can advise that demolition and construction works related to the HBNC capital project is expected to start late January 2021 and are expected to continue for the next 6 months.

***What you can expect to see happening:***

Site establishment—from late January 2021

Site demolition and earthworks - early February 2021

Construction - February 2021

Completion - July 2021

Please be assured that during all works, the utmost care will be taken to ensure the safety of visitors and staff. To maintain service delivery during this time while keeping safety as a top priority it is possible you may encounter changes to services including, but not limited to;

- ⇒ Short term closure of the Centre with emergency nurse response and support of vulnerable clients delivered remotely during this time rather than on site.
- ⇒ Alternative points of entry to the centre on a temporary basis.
- ⇒ Programs being run in a different space to where you are used to.
- ⇒ No access to parts of the grounds and changed parking arrangements.

As with all changes to services, we will endeavor to let everyone know with as much advance notice as is possible when this happens. For your own safety, please follow signage at all times and respect any safety measures that have been put into place by Ultrabuild and HBNC during the course of the works.

Your feedback is important to us regardless of whether it is constructive criticism, a compliment or a suggestion. Your feedback is valuable to us and will assist us with continual improvement. You can submit your feedback to [info@hbnc.org.au](mailto:info@hbnc.org.au)

If you have any questions or concerns regarding the upcoming works please contact - (03) 5588 2000
